

**Role description for NPIF/North England and Midlands Hub Strata Homes secondment**

Please complete this application form and send to Gareth Young ([gareth.young@sheffield.ac.uk](mailto:gareth.young@sheffield.ac.uk)) with an up-to-date CV by Wednesday, 14 April 2021 (23:59 BST).

Applicants must also have applications approved by line managers. Confirmation of this should be included in the covering email.

Name .....

Email address ..... Contact tel. no. ....

Current role/position .....

Institution .....

Please briefly describe your research background (e.g. the focus of your PhD or equivalent research experience, your current role, your own personal research interests). *Max 300 words.*

Briefly set out how you meet the person specification. *Max 300 words.*

We are willing to be flexible around suggested approaches to meeting the secondment aims (see 'The Opportunity' and 'The Role' in the secondment description). Please outline your suggested plan for the secondment, including a timeline and proposals for the project outputs and how you would engage with partners. *Max 500 words.*

**Checklist.** Please ensure your application includes:

- ✓ Cover email confirming line manager/supervisor approval
- ✓ Up-to-date CV
